SEASONS GREETINGS!:

Dennis Gephart from PWHS shared the following message for the Club:

Dear Port Washington Rotary, I just wanted to reach out to you and let you know how much we missed performing for you and your members of the Rotary this holiday season. During this time, we sought a way to reach out to you and share just a few of our songs for you and all the people that you serve. The video, recording, and editing of all audio was all done by students in the group. In the end, this year has taught all of us that what doesn't break us makes us stronger. Here is hoping that we all are able to celebrate the holiday season next year. Please share this short video with all your members:
